

ITE Leadership Program

Day 1 - Leadership Panel Sessions

August 1st, 2017

There will be four open dialogue panel sessions. Each panel will provide informative sessions that relate to leadership and focus on the four core areas of the ITE Leadership Program.

- Leading Change
- Leading People
- Leading Strategically
- Leading Collaboratively

At this time, we are still in the process of confirming the remaining panelists for this event. We reached out to some inspiring individuals, such as a former U.S. Senator and a CEO of a major transportation organization. Please keep an eye out for further announcements!

Confirmed Speakers

- Todd Long , *Fulton County Chief Operating Officer*
- Andrew Heath, *GDOT State Traffic Engineer*
- Sue Anne Decker, *D1 Traffic Engineer*
- Sean Coleman, *Past ITE President*
